

Meet Our ESP Team!

Harry Hunter, Jr., M.S.W., M.B.A.
Director/State Office Administrator

Harry Hunter assumed leadership of the State of Michigan Employee Service Program (ESP) in 1999. Harry came to ESP from Harbor Oaks Hospital in New Baltimore, Michigan, a 64-bed acute care psychiatric hospital, where he served as the Administrator. Prior to that he was the Director of Behavioral Medicine for Health Alliance Plan in Southfield, Michigan, which has a membership of over 500,000. Harry also served as Executive Director of the Central Diagnostic and Referral Agency in Flint, Michigan, for Genesee County. At the Eastwood Clinics in Eastpointe, Michigan, Harry held the position of a Group Vice-President managing numerous programs, including the behavioral medicine inpatient program, halfway houses for men, day treatment and outpatient treatment programs. He also has experience as a psychotherapist in private practice. Harry was an adjunct instructor with the University of Detroit Mercy teaching classes in employee assistance program counseling, and managed behavioral healthcare.

Harry holds a Master of Social Work from the University of Michigan, Ann Arbor, Michigan; and a Master of Business Administration from Lawrence Technological University, Southfield, Michigan; and a Bachelor of Arts in Social Work and an Associate of Science in Mental Health Work from Armstrong Atlantic State University in Savannah, GA. He completed an 80-hour internship program at Yale University School of Medicine Department of Psychiatry, New Haven, CT for professionals working with drug dependent clients. He is a certified Peer Reviewer for the EAP Accreditation Program with the Council on Accreditation in New York, NY. He is a Licensed Master's Social Worker in the State of Michigan.

Harry is an active Board of Director since 1986 for the National Council on Alcoholism and other dependencies of the Greater Detroit Area. He has trained with Dr. Jeffrey Mitchell of the International Critical Incident Stress Foundation to provide critical incident debriefings and defusings to state employees who have experienced traumatic incidents. Harry has expertise in group and organizational behavior in the work place, behavior health prevention strategies, and treatment of mental health and substance abuse issues.

Rosanne Leland, M.S.W., A.C.S.W.
DOC Work / Life Services Coordinator

Rosanne joined the Department of Corrections (DOC) and the Employee Service Program (ESP) in 2004, as the DOC Work/Life Services Coordinator. She serves as a liaison within DOC to bring stakeholders together to develop service plans, outreach activities, and skill building information and education regarding work/life stressors. She is working to identify, address, and promote the importance of sound physical and mental health for top performance among DOC employees.

Rosanne has been working in the mental health field for thirty years and has worked in numerous roles in helping people affected by depression, contemplating suicide, domestic violence, and eating disorders. As a psychotherapist in private practice she worked with substance abuse, depression, stress, domestic violence, and eating disorder clients. At the Rape Counseling Center with the Detroit Police Department, she served in the role of providing some administrative duties and counseling to women who were assaulted by rape, and/or domestic violence. With the Ingham County Community Mental Health she served as a psychiatric social worker for suicidal and other high-risk clients. She also volunteered as a counselor at Ele's Place for Grieving Children, and co-facilitated a group of parents who had lost a child. She has provided numerous trainings to MSU students and EAP providers on assessment and effective treatment for eating disorders.

Rosanne holds a Master of Social Work degree from Michigan State University, East Lansing, and a B.A. in Sociology from Wayne State University. She is a Licensed Master's Social Worker with the State of Michigan, and a member of the Academy of Certified Social Workers with the National Association of Social Workers. Rosanne trained with Dr. Jeffrey Mitchell of the International Critical Incident Stress Foundation to provide critical incident debriefings and defusings to state employees who have experienced traumatic incidents.

Rosanne strives on a holistic approach of helping employees have balance among the physical, emotional, spiritual, and vocational aspects of their health and lives. She is an active member of the Michigan Athletic Club.

Melinda Mackey, M.S.W., A.C.S.W.
Statewide TISM Coordinator/Counselor

Melinda Mackey joined the Employee Service Program in 2002 as the Statewide TISM (Traumatic Incident Stress Management) Program Coordinator and EAP counselor. She provides assessment, short-term problem resolution, referral and follow-up services for state employees and their family members.

In her TISM role, Melinda serves as the Statewide TISM Coordinator, and is responsible for overseeing the delivery and quality of TISM services provided to state employees. As Statewide Coordinator of the 176-member TISM team, she performs clinical assessment and the provision of appropriate TISM services. She provides consultation and support to Department Coordinators, training and education to state agencies, maintains TISM records and reports and provides program analysis.

With expertise in the area of Critical Incident Stress Management, and vast experience in the EAP field, Melinda has been providing mental health services for more than twenty years to business and industries throughout the nation. Prior to joining the State of Michigan Employee Service Program, she was the Director of the UAW-Ford Family Service and Learning Center in Wayne, Michigan. She also served with Magellan Behavioral Health and ValueOptions; two of the leading EAP and managed care providers in the nation. As an Account Executive, Melinda managed complex EAP and managed care accounts such as UAW-Ford and the State of Michigan mental health PPO.

Melinda holds a Master of Social Work degree from Wayne State University, Detroit, and specialized in the field of Employee Assistance. She received her Bachelor of Social Work degree from Madonna College, Livonia, and an Applied Science Degree from Oakland Community College. She is a Licensed Master's Social Worker with the State of Michigan, and a member of the Academy of Certified Social Workers with the National Association of Social Workers. Melinda trained with Dr. Jeffrey Mitchell of the International Critical Incident Stress Foundation (ICISF), to provide critical incident debriefings and defusings to employees who have experienced traumatic incidents.

Melinda has served as an officer with the Greater Detroit Chapter of EAPA and has presented at EAPA and other national conferences. She is a Certified Laughter Leader, hypnotherapist, and graduate of Authentic Happiness Coaching.

Andrea Hartman, M.S.W., A.C.S.W.
Counselor

Andrea Hartman has been a counselor with the Employee Service Program's Detroit Office since 1990. Andrea is the lead counselor for ESP's Online Systematic Stress Management Program, and has developed the ESP Lunch and Learn Series on *Stress Management*, *Communication* and *Dealing Effectively with Change*. She provides trainings to supervisors and managers on how to identify an employee appropriate for referral to the ESP, and methods to effectively make the referral. Andrea developed ESP training programs on *Take Charge of Your Stress* and *Working with the Challenges of Shift Work*. Additional trainings she provides are: *Coping with Grief and Loss*, *Dealing Effectively with Change*, and *ESP Orientation*. Her goal is to encourage employees to reach out early when they first experience problems. She provides assessment, short-term problem resolution, referral and follow-up services for state employees and their family members.

Andrea holds a Master of Social Work degree from the University of Michigan, Ann Arbor, and a B.A. in history from Wayne State University, Detroit. She is a Licensed Master's Social Worker with the State of Michigan, and a member of the Academy of Certified Social Workers with the National Association of Social Workers. Andrea trained with Dr. Jeffrey Mitchell of the International Critical Incident Stress Foundation (ICISF), to provide critical incident debriefings and defusings to state employees who have experienced traumatic incidents.

Andrea began her career with the State of Michigan as a Children's Protective Services Worker in the Dept. of Social Services. In 1991, she worked with laid-off state employees when she participated in the SERRC (State Employee's Reemployment Resource Center), and worked on the development of a "Downsizing Debriefing." Prior to joining ESP Andrea worked as an EAP counselor with Personal Performance Consultants.

**Peter Mason, M.S.W., A.C.S.W.
Counselor**

Peter Mason is the newest professional staff member of the Employee Service Program, coming on board in the Detroit Office in March 2005. He provides assessment, short-term problem resolution, referral and follow-up services for state employees and their family members. He also provides education and training presentations to state employee work units, managers and supervisors. He has over twenty years of professional experience in the field of behavioral medicine, and working with special populations such as youths at risk, dual diagnosis, criminal justice offenders and minorities. Part of that work included providing specialized therapeutic services to probationers and parolees.

Peter also focused his efforts on working with men who are more reluctant to seek assistance. He has provided mental health and substance abuse services to individuals and their families, and also served as a Clinical Director managing inpatient, residential, day treatment, and outpatient chemical dependence treatment programs. He was an adjunct instructor with Marygrove College in Detroit teaching classes on the "Treatment of Substance Abuse Disorders," "How To Achieve Change via Community Involvement," and "Organizational Development."

Peter holds a Master of Social Work Degree from Wayne State University, Detroit, and a Bachelor of Science and Associate of Science in Alcohol & Drug Abuse Studies from Mercy College, Detroit. He is a Licensed Master's Social Worker with the State of Michigan, and a member of the Academy of Certified Social Workers with the National Association of Social Workers.
